

Why Do I Need International Telemedicine Consults?

What Choices Do You Have For High Quality Medical Opinions?

2021 Global Inflation rate now stands at ~3.5%

The price of commodities have increased 10-fold, such as:

- Air travel
- Medications
- Hotel rates
- Transportation

Top 10 desitations for specialized treatments require:

- Vaccine passports
- Self-quarantine upon landing & *pay for it*
- Total travel ban

Why would you put yourself through this mess?

In the VIOS Clinic, we give you the global standard in specialized virtual care for complex chronic diseases

Our Board-certified Specialists bring decades of clinical experience right to your home
