

Why Should I Choose VIOS?

All the ways the VIOS Platform is Right For You

DIRECT SPECIALIZED CARE

The VIOS Platform is specifically designed to help patients with complex diseases & chronic illnesses such as cancers, diabetes & hormonal imbalances

FAST BOOKING

Our services can be booked anytime & immediately without prior authorization.

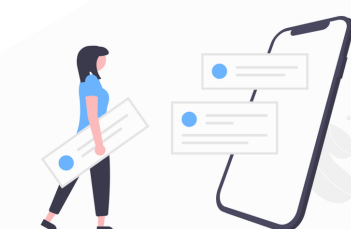

You do not have to waste time waiting for approval, when you can directly choose your Specialist & pay for the booking immediately

FREEDOM TO CHOOSE

Our Doctors are ready and willing to serve you no matter where you are.

You can choose whichever Specialist you think is right for you, & when you would like the meeting that is most convenient for the both of you.

CONTROL YOUR HEALTH DATA

You only have to show the reports *during* your appointment.

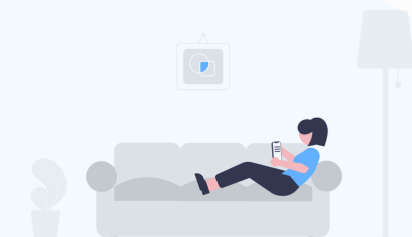

You don't even have to upload any documents, just screen share the scanned images or reports and show it to your Doctor

TIME IS ON YOUR SIDE

How often do you get a chance to have an honest conversation with your Doctor?

We give you at least 30 min of quality time to really talk

Relax in your home & tell your Doctor what's really bothering you,

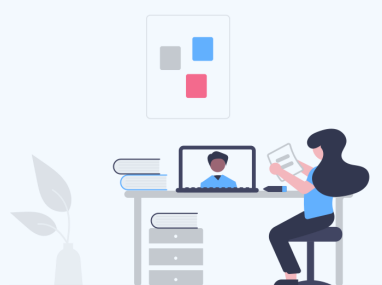

MOTHER TONGUE

We know that it is easier to describe your pains in your own words

That's why many of our Doctors speak multiple languages.

Feel free to select a Specialist who can understand what you are saying, without a translator

VIOS: THE GLOBAL CLINIC

We bring you the best minds in Medicine, from around the world to your home

Our cross-border international access gives you the choice to stay at home & let the Specialists come to you
