

Other Telemedicine Platforms

Mostly for simple acute issues eg. flu, sprains, refills

Many hidden fees

My insurance may not cover it

My insurance does not give me the convenience to choose which Doctor I want

Difficult to choose the same specialist for followup

Doubts about sharing medical data

Hurried consults - 10-15min (max)

The Doctor may not speak my language

Only covers a specific state/country/citizen

VIOS

Ideal for complex chronic diseases

Direct Pay option gives you more freedom

No time wasted waiting for authorization

You will always be able to followup with the same specialist, whenever you want

You get 30-40min of quality time with your Doctor

You control your data

Our Doctors are multilingual

Global & Inclusive
